KESMAN GARDEN AT EHLERT PARK

BRICK PATHWAY PROGRAM

The Brookfield Recreation Department has received a donation from Barbara Weyrick to be used as a memorial for her parents Martha and Anton Kesman. The Kesmans lived in Brookfield for many years. Because of their love for Brookfield and their many hours spent at Ehlert Park, the donation is being used toward a garden and brick pathway.

To help the Recreation Department raise funds for future park renovations, please consider investing in our parks by purchasing a personalized brick for the pathway.

HOW DOES IT WORK?

The Recreation Department will order bricks to be placed in the garden pathway, once each year. All orders need to be turned into the Recreation Department each year by June 15th.

WHAT DOES A BRICK COST?

A 4"x 8" brick is \$100.00 and will accommodate up to three (3) lines of text, 13 characters per line including spacing and punctuation. An 8"x 8" brick is \$200.00 and will accommodate up to five (5) lines of text, 13 characters per line including spacing and punctuation.

GIFT CERTIFICATES

Gift certificates are also available. You may purchase a brick for someone special. We will provide you with a certificate which you can present to the recipient notifying them of the gift and permitting them to personalize their own brick.

HOW TO ORDER

Call the Brookfield Recreation Department at 708-485-1527 or stop by the Recreation Department in the lower level of the Village Hall to fill out the form.

Meet your Brookfield Instructors:

Teresa Swanson

Teresa Swanson is the founder of Sway Dance Chicago, a Ballroom, Latin and Swing dance studio offering group classes and private lessons to adults of all levels.

Teresa grew up dancing in central Iowa and continued her studies at Iowa State University with a major in Performing Arts with an emphasis in Dance. While studying at ISU, her choreography was chosen to represent the school

twice at the National College Dance Festival. She was awarded the Dance Magazine Award for Best Student Choreographer for her piece Siren, which was inspired by the September 11th terrorist attacks. Siren was performed at the John F Kennedy Center for the Performing Arts in Washington D.C.

While studying, Teresa taught class and choreographed for Beth Clarke Studio of Dance where she focused on tap, ballet, jazz and modern lessons for ages 3 - 18 years.

After college Teresa moved to Arizona where she worked as the dance director and department head at Limelight Performing Arts Academy. The midwest called her back to Chicago where she was trained at Chicago Dance and was certified in the DVIDA syllabus to teach Latin, Ballroom and Swing by World Champions Tommye Giachinno and Gregory Day.

After managing the studio for several years, Teresa felt it was time to branch out on her own and in 2009, Sway Dance was created.

Teresa is thrilled to get back to her dancing roots in Brookfield where she has lived with her family for almost 10 years.

McKenna Doyle

McKenna Doyle is currently a sophomore at Elmhurst College studying Special Education. She has been dancing for 17 years where she studied a range of styles of dance but mostly focused on Tap. McKenna was trained at Jo's Footwork Studio and Riverside Brookfield High school. During her high school days she was on the Dance team

as well as Orchesis Dance Company and Repertory Dance Ensemble.

McKenna is beyond thankful to start a new journey with Sway and is excited to share her passion for dance with you.

A note from Teresa:

I met McKenna while teaching her dance class through a Cotillion program in 2014. Her passion and talent for dance was apparent at first meeting. But, what draws me most to McKenna is her genuine and enthusiastic energy for teaching and children. When I decided to bring my dance program to Brookfield, I knew exactly who I wanted on my team.

Sway Dance KIDS!
